PETERSBURG, VA. September 8—
The session of the Council last night continued until long after midnight. It was a harmonious and strictly business meeting, and nothing was left over for future consideration. The report of the auditor showed city expenditures in August to have been \$38,443, and the treasurer's report showed a handsome cash balance on hand on September 1. The Police Justice reported \$630 as collected in fines in his court in August.

lected in fines in his court in August.

On recommendation of the Finance Committee, as submitted by Mr. Mc-Kenney, an appropriation of \$9,000 was made for the purchase of a triple combination motor-driven fire engine, to be housed at the Halifax Street station.

Mr. McKenney, of the Finance Committee, called the attention of the Council to the recent discovery of the fact that the city will lose \$18,000 in taxes from the British-American Tobacco Company, due to the new system of taxation adopted at the late special session of the Legislature, under which this tax will be taken from the city and go to the State.

Petitions signed by 1,000 qualified voters urging the construction of an overhead terminal on Second Street at the new bridge to be built across the Appomattox were presented to the Council, and a motion was made to appropriate \$500 to be deducted from the appropriation of \$52,000 already made appropriation of \$52,000 already made. appropriate \$590 to be deducted from the appropriation of \$52,000 already made for the bridge, to pay for plans for the overhead structure. This motion was the apron and the extended bib. This motion was the appropriate structure in almost an exact copy of the overhead structure. This motion was vigorously opposed by Mr. McKenney, of the Finance Committee, who stated that in his opinion the proposed new bridge, with overhead terminal, would cost not less than \$300.000, and that

a member of the Council for the Sec-ond Ward, and Dr. Moylan C. Field was elected in his place. The Council declined to increase the

salary of Committee Clerk E. P. Good-wyn from \$1,200 to \$1.400, but appropri-ated \$500 to employ an additional clerk

Royal Baking Powder

Teachers of cookery, and baking experts generally, use Royal Baking Powder because they know it can always be relied upon to make the finest and most wholesome food.

Experience has taught them that it is not economy to risk the loss of flour, butter and eggs by the failure likely to result from the use of an inferior Baking Powder.

Royal Baking Powder Contains No Alum
